Eric

Our Accounting folks have gotten back to me. They are processing the reports to send to you all for the EPA Remedial Oversight costs for AOI-1 for the period 5/14/15 (date of AOC signature) to 3/31/17. This includes our contractor costs expended so far and EPA costs (travel and payroll) since the AOC was signed. Based on what I saw, the amount is roughly of the order of \$185,000. The exact amount will be reflected in the reports they send you.

Hope that helps for your planning purposes.

Hi Raji –

I wanted to check back in and see if you had any news regarding EPA's USOR AOI-1 RI/FS oversight costs, specifically whether you had an estimate of the costs to date and when EPA's invoice for those costs might be submitted. Any insights, even if just in a general sense, would help us with our cost planning.

Thanks!
